## ACHIEVEMENTS:

- Led a team of three producers and crew members to produce a 10-episode reality series that achieved a 20% increase in viewership compared to the previous season.
- Implemented cost-saving measures that resulted in a 15% reduction in production expenses, saving the company \$100,000.

Additionally, secured free access to Las Setas, one of the city's iconic landmarks, and obtained permission to film in a historical house that had previously belonged to a marquis and served as a monastery and a battalion during the Napoleon era.
